

## Gloucester City Hockey Club

# Code of Conduct for Senior Players

(All playing members over 17 years of age).

Senior players shall

- pay annual subscriptions when they become due
- pay the correct match fees to the team captain or nominated person directly following matches or as required
- notify team captains or nominated persons of availability for the next event
- be punctual for events, wear correct playing kit and colours
- be solely responsible for informing the club in writing of any change to medical or personal contact details or home address via team captains
- at all times refrain from the use of foul and abusive language
- regardless of the playing standard, respect the opposition and compete in a fair and proper spirit within the Rules of Hockey
- support or aid the team captain or nominated person in offering hospitality to the opposition following home matches and socialise as practical at away matches
- not take any action by verbal, written, physical or any other means to deliberately undermine or demean the club in any sense or form
- act in an acceptable manner at all club activities including matches, coaching, training and social events
